My bad. Yes the group from July to talk tech followup but other issues as well (we're working on agenda). Presume 18th is better so we'll plan on that.

We have everyone who participates at PCI including port, city, state etc. If you wanted to...or wanted us to...to send out notice to the other PRP's who never show, I'm sure we could do that for the part of the meeting you guys are at. Let me check. That said, I think we want folks to be able to have a good, frank conversation, so we don't want it to be a "public" meeting with press etc.

I may be the one who's confused. I thought you and I talked about another technical meeting but if we need to meet with group from July that's fine. It's really up to you all.

On a related note - as I mentioned we are agreeable to coming to your meeting on the 5th or 6th but also need to reach the PRPs that are not in the PCI group. Would you be willing to invite others or do we need to hold a separate meeting after December for all the PRPs?

Is this the group mtg you and I were discussing which was the same group we had in July or is this another tech mtg? Just confused.

We proposed a mtg on 18th to 19 of Oct with the group from July, not just tech.

How does this fit in with any discussion you have had with Sheryl as to the next meeting? Note this comes from Sean (at Sheryl's request) and the opening for other PCI members to participate - specifically mentioning public entities.

See below - FYI. While Sean's email makes it sound like Howard or another of our entourage asked for a follow-up meeting, but that's not the case. On the contrary, EPA Region 10 staff mentioned several times during our "flexibility" meeting that they were planning to meet with PRPs in October once they found a venue large enough to hold enough people. They variously described their intended audience as all PH PRPs, the PCI Group members, and at one point (I believe) the public at large. Here it sounds like they're focusing on the Pre-RD Group members unless we want to broaden the audience.

Subject: [EXTERNAL] Follow up meeting with PCI (sf)

Hello Howard,

Sheryl asked me to get back to you regarding a meeting to follow up on our positive discussions last week. Would the date of October 18 or 30th work for you all? On a related note, could other PCI members participate in case they have the same/similar questions, e.g. public entities?

Thank you.

S
